«Groom» and «Bride» «Last Name»
On «Vow Renewal Date»

We are gathered here today in the presence of friends and loved ones to give recognition to the worth and beauty of love between «Groom» and «Bride» and to add our best wishes for much happiness.

Their marriage has been adorned by true and abiding love. We learn to love by being loved. Learning to love and living together is one of life's greatest challenges and is the shared goal of a married life.

As your lives continue to interweave as one pattern, remember that it was love that brought you here today. The union of two hearts and two spirits. It is love that will make this glorious union endure.

«Groom» and «Bride», do you mutually promise in the presence of your friends and family that you will at all times and in all circumstances, conduct yourselves toward one another as becomes a husband and wife?

«Groom» and «Bride»: We do.

«Groom», please repeat after me:

It is my intention to be your best friend, - to respect and support you, - to be patient with you, - to work together with you - to achieve those things that are important to us, - to accept you unconditionally, - and to share life with you throughout the years.
