

Wedding Ceremony of
«**Groom**» and «**Bride**»
On «**Wedding Date**»

We are gathered together to witness the union of «**Groom**» and «**Bride**» in matrimony.

Marriage is an institution, which should never be taken lightly. There is no reason on earth to justify taking the marriage vows unless each party has for the other that mutual love and respect that will last forever.

Who gives this woman to be married?

«**Bride**»'s father or escort: I do.

Will you «**Groom**», take «**Bride**», to be your lawful wedded wife?

«**Groom**»: I will.

Will you «**Bride**», take «**Groom**», to be your lawful wedded husband?

«**Bride**»: I will

What token do you bring of your love?

«**Groom**» and «**Bride**» together respond: A ring.

«**Groom**», as you place this ring on «**Bride**»'s finger, repeat after me:

With this ring – I, «**Groom**», take thee, «**Bride**» - to be my lawful wedded wife, - for better or for worse, - for richer or for poorer, - in sickness and in health, - to love and to cherish for the rest of our lives.

«**Bride**», as you place this ring on «**Groom**»'s finger, repeat after me:

With this ring, - I, «**Bride**», take thee, «**Groom**» - to be my lawful wedded husband, - for better or for worse, - for richer or for poorer, - in sickness and in health, - to love and to cherish for the rest of our lives.

With the authority vested in me by the «**State/Commonwealth/Province**», I now pronounce you husband and wife.

You may kiss the Bride.

Ladies and Gentlemen, may I present to you for the first time, Mr. and Mrs. «**Last Name**». Congratulations.
